Hi Will, we only have 1 window of availability on this Thursday, from 8-9am PST. Would this work for the Corps? If so, EPA is able to make it (my supervisor maybe 5 minutes late so starting at 8:10 may be better). Thanks.

Hey Charissa,

Would you be available sometime Thursday afternoon (April 8)? I think we may want to schedule a meet with everyone involved from USACE/EPA.

Thanks,

Hi William,

I hope you are doing well? I wanted to send over a quick email to see if you may be available at a date/time next week to connect RE scheduling of a site visit at Ace Black Ranches LLC. I have a lot of availability next week. My objective would be to share the information I have collected to-date to

inform a potential future site visit. Thanks!
